As Captains we promise to fulfil our role as leaders of Woodland Road Public School. We will assist other students in need. Encourage others to take part in school groups and activities. Represent our school with pride in all events. Thank you to the students’ support in voting for us and we will look forward to seeing everybody at our school assemblies.
Dear Parents and Caregivers

What a lovely surprise I saw on Wednesday, the first day of school for our students in Year One to Year 6. I could not believe my eyes, I went out to the assembly area before the bell had been rung and I saw all our lovely students lined up ready for the day to begin! How good it would be if we could keep this up; what a great start to the new year!

I hope you and all of your families have had a safe and peaceful holiday. A very warm welcome is extended to all our new families joining our learning community. So far the beginning of Term One has been very smooth particularly with our beautiful new kinders who were very eager to start ‘big school’.

This week we are holding off forming classes until we were sure of our numbers. During the first week the children will be working in stage teams. The focus of the first week for all students is social skills based on school rules and school routines in order to achieve academic success. This organisation allows children and teachers in each block to get to know each other as well as school expectations.

Next week Year 1 – 6 children will be placed into their permanent class on Tuesday. Kindergarten children will be placed into their permanent class in Week 4 as the next two weeks will be spent with teachers completing each child’s Best Start assessment.

Just a reminder, monies and notes for the Primary Swimming Carnival are due tomorrow.

Any questions please don’t hesitate to ask.

Regards
Carol Gruden

Student Banking

Student banking is every Thursday morning at the P&C window from 8.15am to 8.45am.

We are trying to win a gazebo for our school, to do this we need to have the majority of our students banking.

SO … every NEW banker will receive a gift with their very first deposit.
